**Title of the forum or other mechanism:**

Nemzeti Pályaorientációs Tanács (NPT) – Hungarian LLG Council

**Its relationship to government and to regional forums:**

The Hungarian LLG Council is a *tripartite body*. It has 13 members; within 25% are non-governmental organizations. The Hungarian VET and Adult Education Council decided about the establishment of the NPT in January 2008. The Council main role is consultation; it is also responsible for the development of cooperation mechanism at national and regional levels. Seven Regional VET and Development Councils have 1-1 delegates whose are responsible for LLG issues. NPT also supervise the national LLG system development program (SROP 2.2.2. phase I.). NPT source of funds guarantee by the Hungarian Labour Market Fund in biannual bases. Head office of the Hungarian PES within these 2\*2 years national contracting period (National Employment and Social Office) is responsible for the secretariat of the Council.
